

Every day, 2 million homeowners search online to find home professionals

A screenshot of a Porch.com professional profile page. At the top, there's a navigation bar with links for "Become a Pro", "Log in", "SIGN UP", and "My Porch". Below the header is a large image of a red-tiled roof with several white downspouts. A yellow placeholder box in the center of the image says "Your headshot here". Below the image, the company name "Cornerstone Roofing, Inc." is displayed, along with its location "Roofer • Bothell, WA". Underneath the company name are three tabs: "Endorsements", "Projects", and "Description". To the right of these tabs are social sharing icons for "Share", "f Share", and "Tweet". The "Endorsements" section shows the address "17624 15th Ave SE, Bothell, WA 98012", the text "In Business since 1996", and two statistics: "2 Projects" and "2 Endorsed this pro". It also includes buttons for "phone", "contact", and "save pro", and a link to "Report a correction". The "Projects" section is currently collapsed. The "Description" section is also collapsed. On the right side of the page, there's a sidebar titled "Claim your free home history" which includes a house icon, a description of how it works, and a "Claim My Home" button. Below that is a "Get more information" section with a "Cornerstone Roofing, Inc." logo.
